

HEROES[®]

HAND SANITIZER

FOR COMMERCIAL USE ONLY. NOT FOR RETAIL SALE.

Heroes' Antiseptic Hand Rub is made using only the highest standards of both Ethyl Alcohol and Hydrogen Peroxide. As an Ethyl Alcohol based product, Heroes' has a distinct grain alcohol odor and smells different than Iso-Propyl based products which resemble the smell of rubbing alcohol. This alcohol smell has been muted by a subtle fragrance that has been added. Heroes' is a clean product that meets all W.H.O. & FDA standards and is equally as effective in sanitizing the hands and killing the COVID-19 virus.

- 2-Year Shelf Life from production date on Unopened bottles
- 90-Day Shelf Life on Opened bottles from the date Bottle was Opened

Antiseptic Hand Rub Non-Sterile Solution
