

# HEROES<sup>®</sup>

HAND SANITIZER

*Heroes' Antiseptic Hand Rub is made using only the highest standards of both Ethyl Alcohol and Hydrogen Peroxide. As an Ethyl Alcohol based product, Heroes' has a distinct grain alcohol odor and smells different than Iso-Propyl based products which resemble the smell of rubbing alcohol. This alcohol smell has been muted by a subtle fragrance that has been added. Heroes' is a clean product that meets all W.H.O. & FDA standards and is equally as effective sanitizing the hands and killing the COVID-19 virus.*

## Antiseptic Hand Rub Non-Sterile Solution
